Request for Interview

Dear Sir:

Applicant respectfully submits this request for interview in response to Advisory Action dated April, 21, 2010. In view of amendments and remarks submitted on 16th April, 2010, Applicant respectfully request interview with examiner for entry of the paper submitted on 16th April, 2010, Applicant believes that interview/s with examiner and SPE will bring prosecution to speedy conclusion. Applicant believes that paper submitted by applicant dated 16th April, 2010 in response to Final Office Action containing amendments, arguments and remarks, overcomes the arguments made by Examiner for reference of Marino (US 4,733,654.) for claim Rejections under 35 U.S.C. § 102 and 103. Applicant as Pro se inventor thanks examiner for making a note in final office action that certain features have not been claimed by applicant. Agenda of interview will be proposed amendments and arguments and remarks presented in papers submitted on 16th April. 2010 by applicant.

Respectfully submitted.
